

(inner agendas and outer agendas)

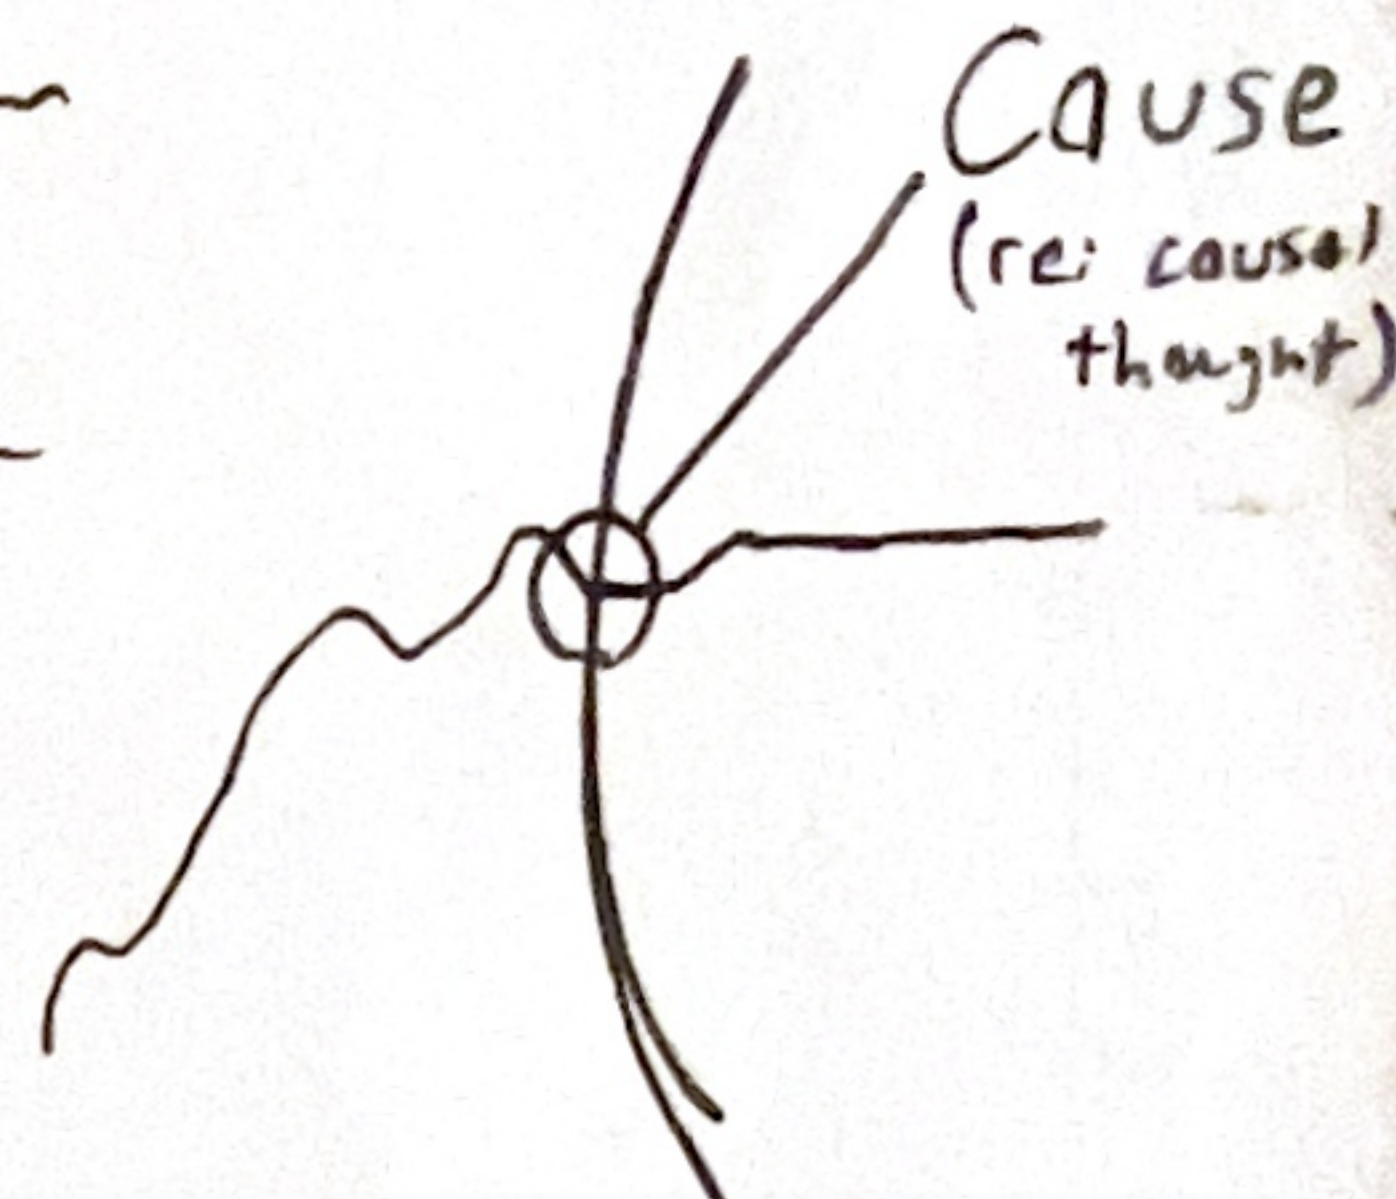

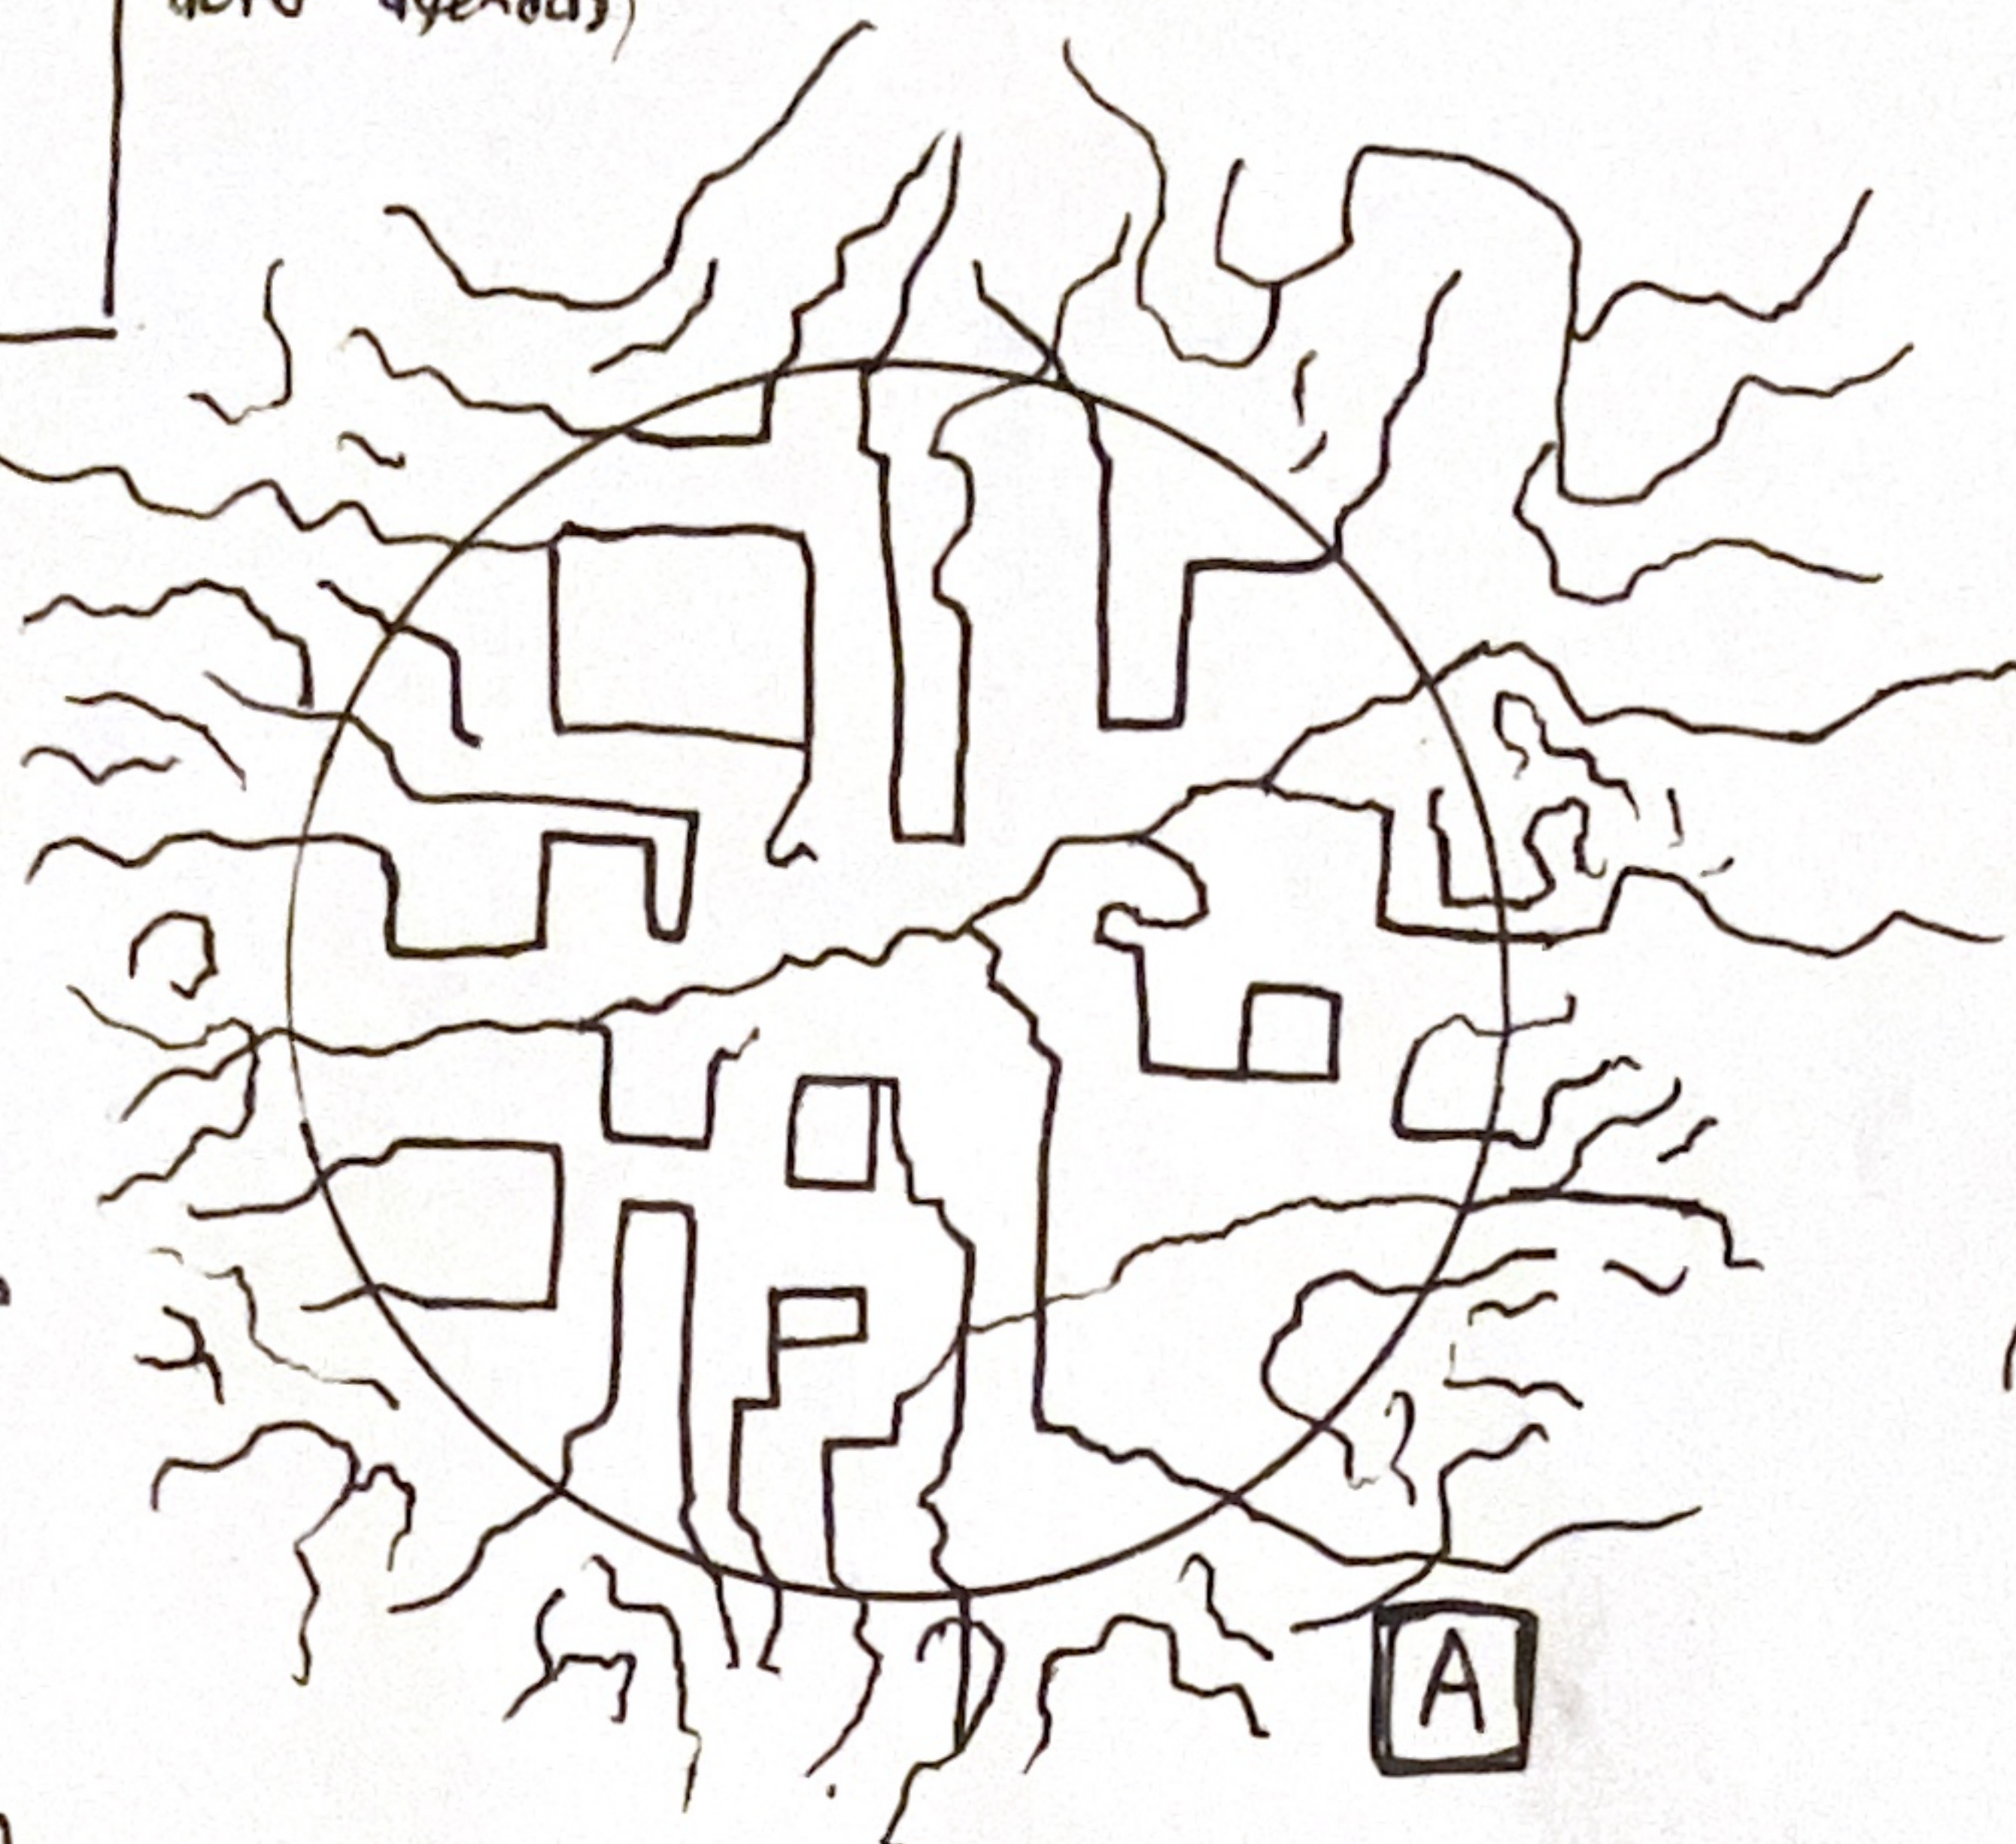

OR

(Late August, 2018?)

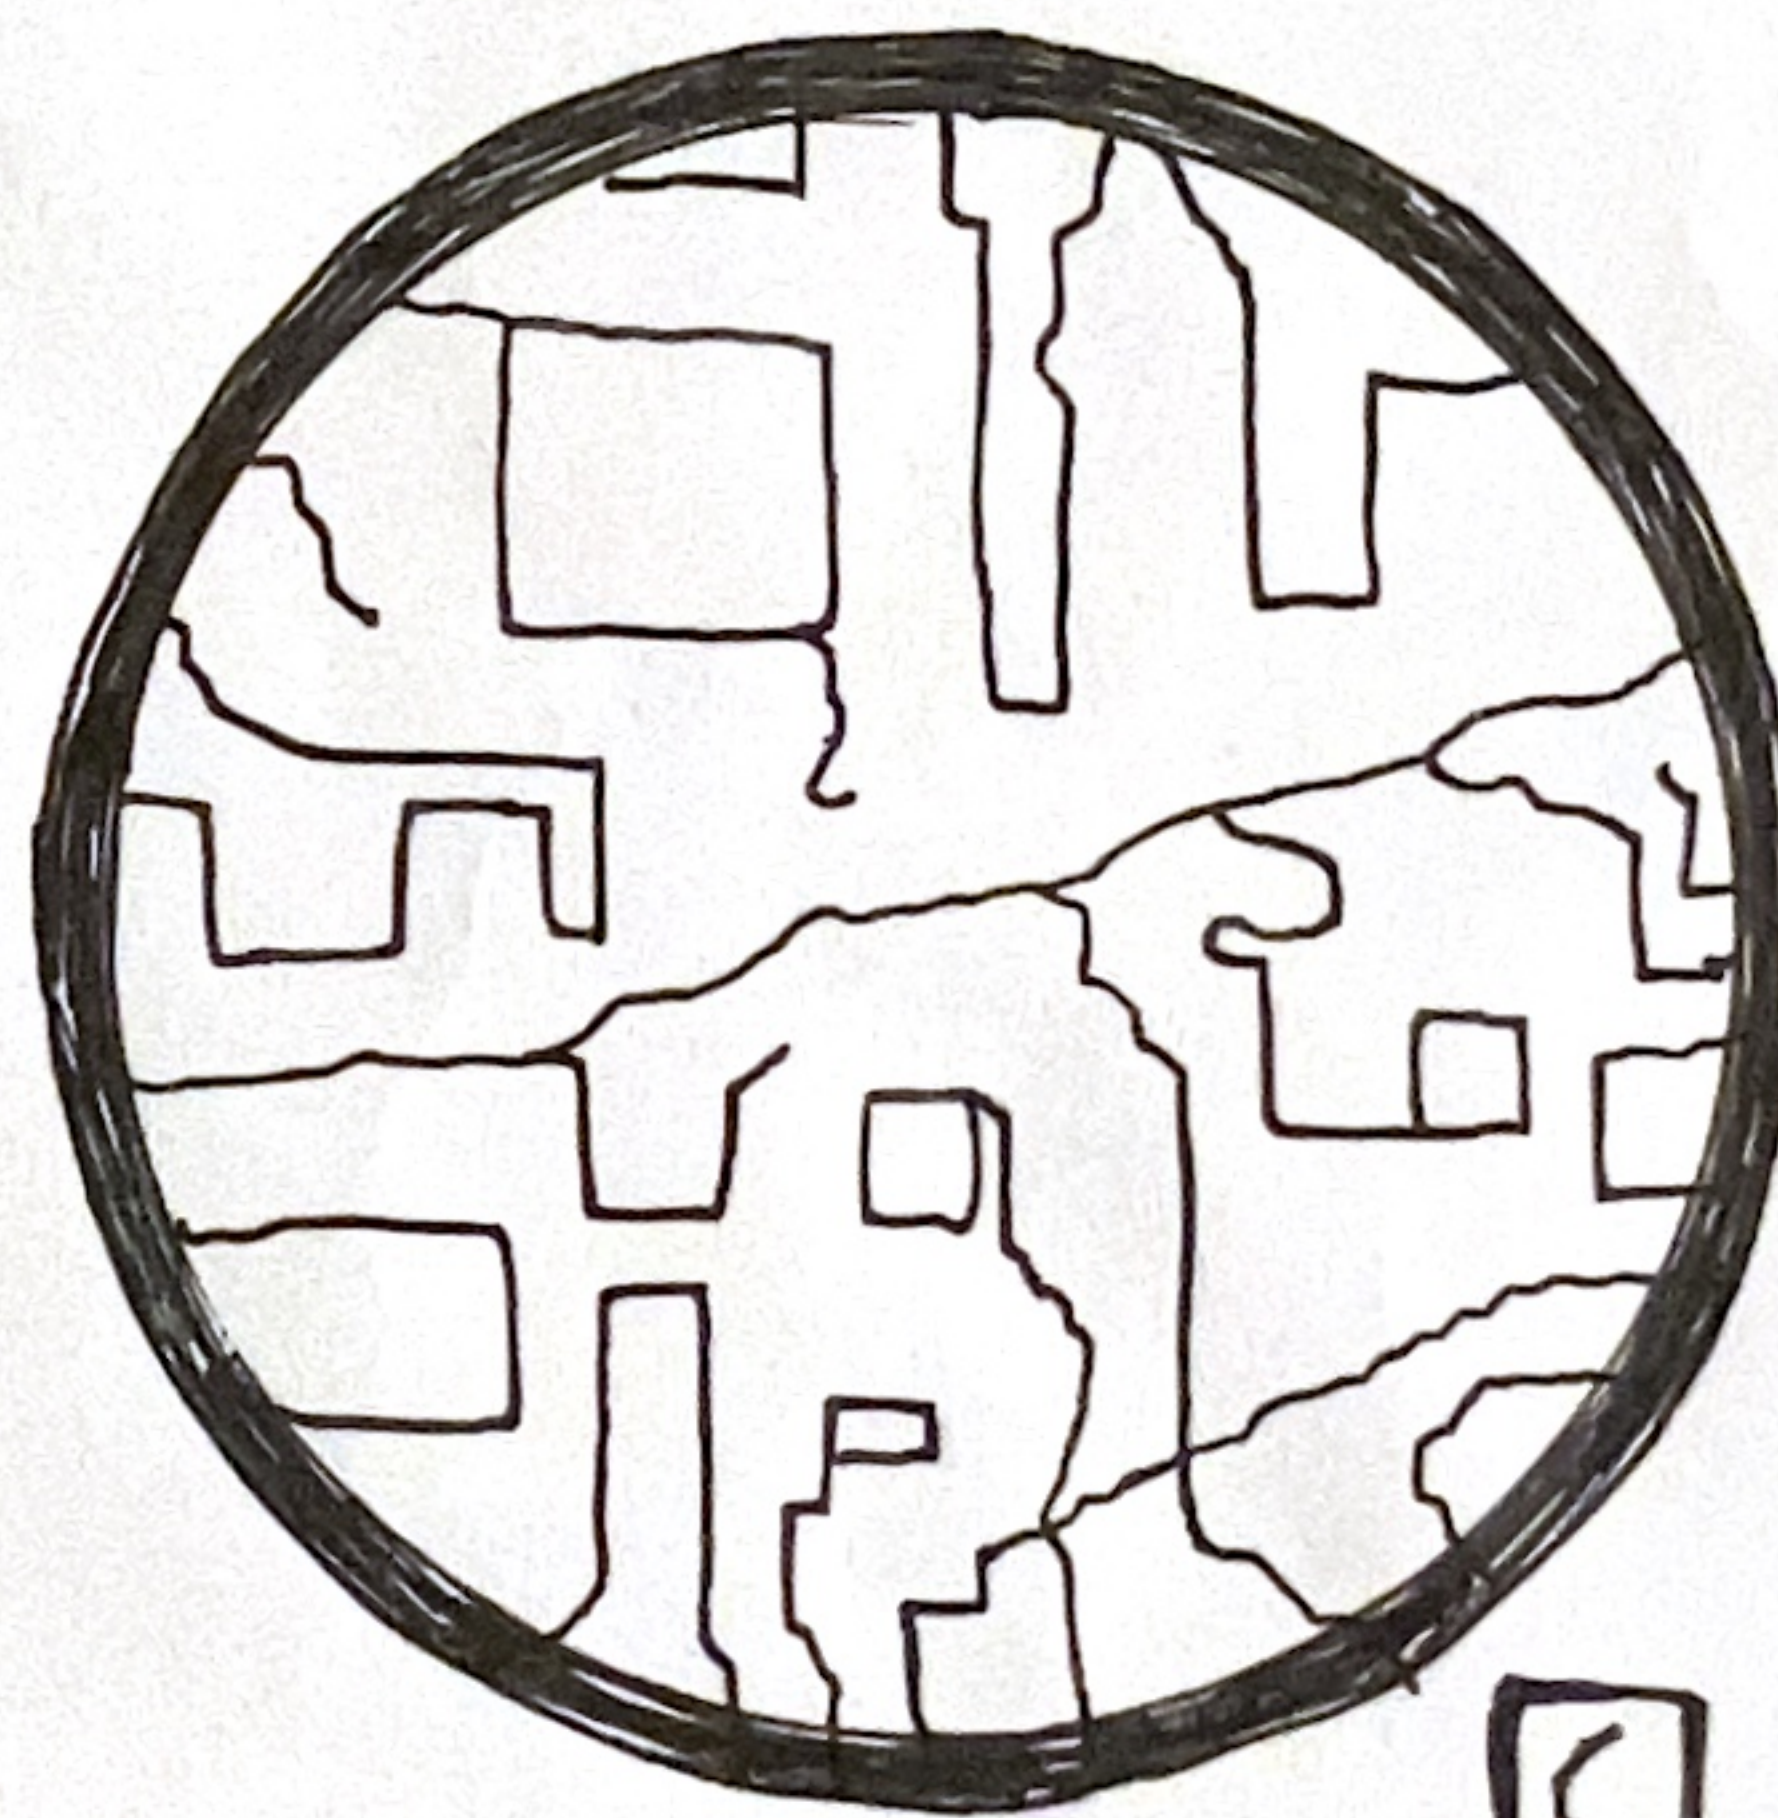

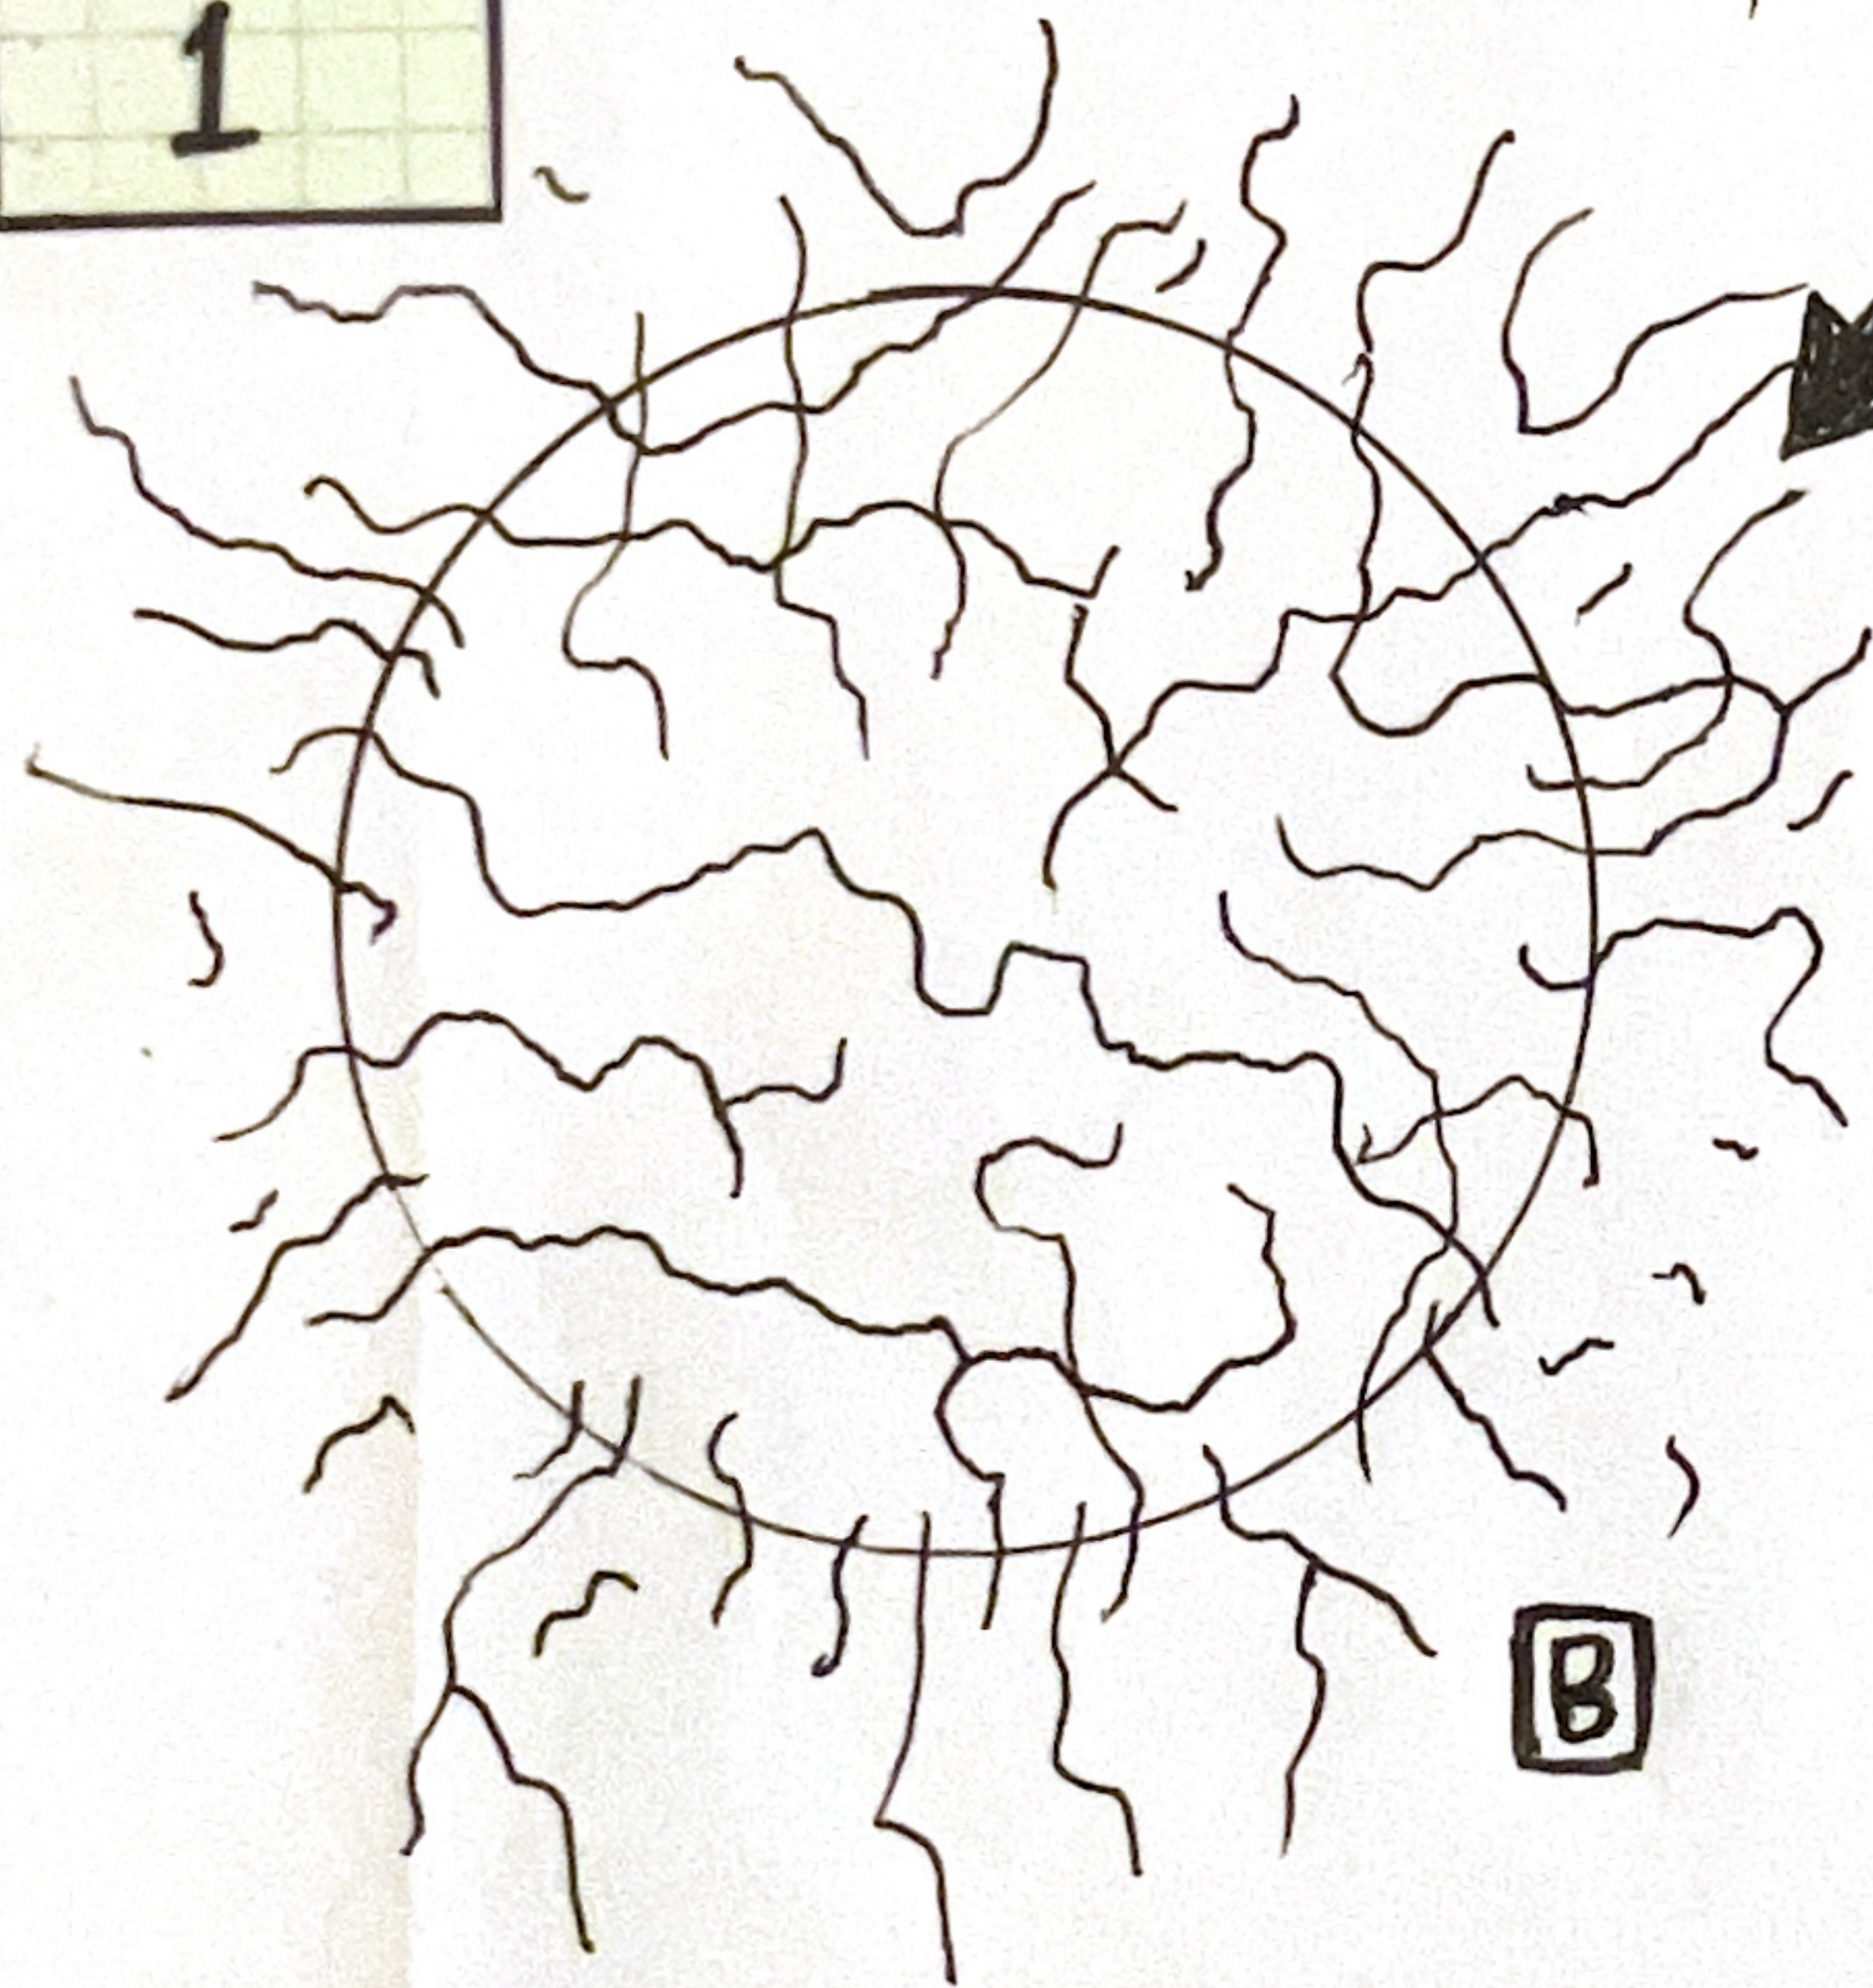

Subjective Matrix?

~~~~~ = "chaos" agenda  
 ————— = "perceived order" agenda (as "order" is subjective?)

ITEM 1

Cannot start in mind, but can end in mind

Can start and end outside of mind

"Inferred" foundation  
 or  
 Objective content

True <sup>"chaotic"</sup> basis from which thought is built

All thought processes (including ~~the~~ contents on this paper)

"Frustration" arises from the conflict/difference between the inner and the outer

"A" ~~diagram~~ diagram is a layering of "C" atop "B", wherein the inner content of "C" (one's thoughts) overrides the inner content of "B" (inferred cerebral chaos?)

~~~~~ "loose end"

□ "perceived closure"
